

Lake Mead Cruises • Crew Descriptions

Ship's Captain

Must be licensed by the United States Coast Guard to operate a 100 ton passenger vessel. Will captain the Desert Princess (our beautiful three-decker, 300-passenger stern wheeler) on Lake Mead's Boulder Basin to the Hoover Dam. Sure beats driving a bus! Just cruise around Lake Mead every day!

Shift Manager

Experience in the Hospitality industry is a must as you schedule and manage an "Outrageously Great Crew" for dining and touring. Work in a fun setting aboard our beautiful excursion boat.

Cooks and Cook's Helpers

Food preparation in our spotless galley. Carving experience, broiler and flat grill experience a plus. Flexible hours, cook aboard the Desert Princess.

Bartender

If you are a "Master of Mixology" with a great sense of humor and like to talk with people from all over the world, you could be at home behind our on-board bar. You'll be mixing up drinks for our passengers as we float across Lake Mead.

Deck & Barge Hands

Aboard the boat and on the Landing, we rely on you to keep our boat and our Landing safe, clean and friendly for our great passengers! You'll have a lot of fun helping people have fun!

Food & Cocktail Servers

What a way to go to work! Jump on board and enjoy the scenery of Lake Mead as you serve food and drinks to people from all over the world on our tours and special charters. You'll be working with an "Outrageously Great Crew"! Because our servers handle both food and alcoholic drinks, health and alcohol-handling cards are essential.

Steward

A steward must be able to wear many hats: food server, cocktail server, on-board errand runner, and more aboard our three-decker Mississippi paddlewheeler. And the person who can handle all of this with a smile is just the person we're looking for! We'll depend on you to help get the job done, whether it's attending to passengers or assisting the manager in cruise tasks. This is a fun and challenging position with a first row seat to the unbeatable views of Lake Mead.

Reservations & Ticketing/Refreshment Center Clerk

We rely on our Ticketing staff to tell people all about the "Outrageously Great Times and Tours" that Lake Mead Cruises offers! If you love people, can smile over the phone, and are willing to learn our system, then come and join the fun! Ticketing clerks also attend to our landing refreshment center, selling beer, wine, and non-alcoholic beverages, so all applicants must be 21 or over and have or be willing to get a health card, TAM card, and Sheriff's card. Cash-handling experience and comfort with registers and computers a plus.
